LEGENDS OF THE FALL

A WHO'S WHO OF TOP FLIGHT PRODUCERS

Here they are in all of their glory... our most anticipated offering of the year, the Bounty Hunter "Legends of the Fall." This lineup is a virtual "who's who" of top flight producers with their finest wares on display. It's all about rarity, pedigree and certainty.

This is the perfect gift for the valued client or the connoisseur who has or wants it all. You can also feel free to spoil yourself (you know you deserve it). Packaged in a handsome branded Bounty Hunter wooden gift box, the presentation and wines in this package will impress any collector of highly coveted reds.

"Legends" always sells out before the holidays, so step up to the plate while it's still within your grasp. When this one-of-a-kind offering is gone, it's gone for good.

(One bottle of each wine listed - includes branded wooden gift box)

'04 Blind Justice "To Kalon Beckstoffer" Cabernet Sauvignon • Napa Valley. Justice may be blind, but it's pretty easy to see what's going on in the bottle here. One of Napa's premier vineyards is channeled into a special flavor experience.

'04 Caymus "Special Selection" Cabernet Sauvignon • Napa Valley. The only wine to be named *Wine Spectator's* "Wine of the Year" twice! Chuck Wagner's flagship Cabernet boasts an enviable track record of quality.

'05 Diamond Creek "Volcanic Hill" Cabernet Sauvignon • Napa Valley. One of the vineyard block trio from Napa Valley's original cult winery. A liquid testament to founder Al Brounstein's original vision.

'03 Episode • Napa Valley. A spare-no-expense blend from the Terlato clan (among America's most influential fine wine specialists). They gave winemaker Doug Fletcher carte blanche, and he knocked it out of the park.

'03 Hartwell Estate Cabernet Sauvignon • Stags Leap District. *Wine Spectator* called this "Notably rich and concentrated, yet elegant and stylish..." Focus and harmony from one of Napa Valley's best districts.

'05 Hourglass Cabernet Sauvignon • Napa Valley. Made from a dream mid-Valley vineyard by Bob Foley, one of California's most lauded winemakers, this is nothing short of magnificent.

'04 Joseph Phelps "Insignia" • Napa Valley. The original California proprietary blend, and consistently one of the absolute best. Joseph Phelps regularly ranks among our top houses.

'04 Kapcsándy "State Lane Vineyard" Cabernet Sauvignon • Napa Valley. Produced from the property that was the soul of Beringer's Private Reserve Cabernet, Robert Parker called this "A breakthrough effort..." It's as if a slice of Pauillac landed in Napa.

'04 Opus One • Napa Valley. One of California's iconic blends since its inception in 1979, this powerhouse partnership still marries the best of French and American sensibilities. It's always a wine worth owning.

'03 Rubicon Estate "Rubicon" • Rutherford. Francis Coppola's historic property has been responsible for some of the finest Cabernets ever made in California. That tradition continues under his stewardship.

'04 Rudd "Oakville Estate" • Oakville. We happen to think that this is the best wine that the Rudd team has ever crafted, a true testament to serious talent and Oakville dirt. Absolutely thrilling.

'04 Whitehall Lane "25th Anniversary Reserve" Cabernet Sauvignon • Napa Valley. A fitting tribute to Whitehall's silver anniversary. Their signature blend of generous fruit and plump tannins showcases a very fine vintage.
